By Reference 1, we transmitted an Application for Amendment to the  
Operating License for the subject proposed Technical Specification  
changes which included proposed page changes to Table 4.1-1 pages 3 of  
7 and 4 of 7. A revised Table 4.1-1 page 4 of 7 was submitted by  
reference 2. These pages were reconciled with the most current amended  
Technical Specifications by Reference 3.

The purpose of this letter is to transmit a further revised Technical
