Date Recd: 3-2-10

Request Type:

Freedom on Information Act request

Nuclear Regulatory Commission

Dear Donna Sealing,

I am a research assistant working for the Collaborative Governance Initiative at the Maxwell School, Syracuse University. I am requesting under the Freedom of Information Act your records of all employees at the Nuclear Regulatory Commission who are currently in the Senior Executive Service along with their work contact information.

This is for the sake of research and will give us a better understanding of the workings of the agency. Because this is an educational institution, please waive service fees. In addition, the duplications I request are in electronic format and should have no fees associated.

I request:

Name
Title
Individual Work Phone
Individual Work Email
Work Mailing Address

Format-wise, electronic is best, and an Excel spreadsheet is preferred. Please deliver to almadoff@syr.edu.

If you deny all or any part of this request, please cite each specific exemption you think justifies your withholding of information. Notify me of appeal procedures available under the law. If you have any questions about handling this request, you may telephone me at [REDACTED]
