SUBJECT: Vermont Yankee License Renewal
Vermont Yankee Nuclear Power Station
Docket No. 50-271
License No. DPR-28

Dear Mr. Holian:

During our phone conversation on January 27, 2010, you requested that Entergy Nuclear Operations, Inc. (ENO) perform a review of the Vermont Yankee (VY) license renewal application and associated correspondence to confirm accuracy and completeness of information related to VY buried piping that had been provided to the NRC. ENO is in the process of reviewing the correspondence and expects to provide you with the results of that review by February 19, 2010.

Should you have any questions concerning this submittal, please contact me at 914-272-3370 or Garry Young at 601-368-5208.

Sincerely,

A handwritten signature in black ink, appearing to read "JFM".
