I'm not sure if you're aware of this letter but I received this email last week and should have sent it to you sooner (just realized that you were not on the original email list). John Kinneman is asking if we have any additional information on this. Has ShieldAlloy contacted NRC as NJ suggested they do? Can you ping Jack Hayes to see if he has any updated information? I don't mind asking him just let me know if that's OK with you.

Thanks,
Donna
