hello,

attached is a table with the ML numbers for the NJ Agreement Application - all are publically available now and I have provided the list to NJ - they're thrilled!

By the way - regarding the team assessment - I learned today that the references will be mostly the ML numbers with a few exceptions that fall into Monica's area mostly. I will just copy and paste all of those in. If you see a reference that needs to be there other than the MLs for the different volumes of the package and the Governor's letter, just add that in.
