Thank you. My text searches on that document were unsuccessful. Now I know where to look so that I can search manually.

Hi Sandy!

The full text version of the New Jersey Regulations is located in ML090510713 and starts on page 461 of 552.

Let me know if you can't find anything else.

I'm working on the staff assessment. Do you know how I can find NJ regulations in ADAMS? I can't seem to find them. Thanks.
