Subject: upcoming review of SECY for NJ Agreement

Hello all -

Just wanted to let you know of the planned schedule for the SECY for the NJ Agreement.

We are still working on some team comments with the State and are finalizing the SECY package. I hope to have it through DMSSA by the end of the week or 3/16/09 at the latest. This is later than we planned and we'll have to see how the schedule adjusts accordingly.

For those of you that need to let your management know, please expect the package for review and concurrence the week of 3/16/09 - hopefully, earlier in the week, barring unforeseen complications. Within FSME, the package will go out via Rob Lewis and will not be coming to team members in FSME for formal review. I'll be sending the package to the team electronically though.

We will have a 10 day review period for the package with the exception of CFO, who has an internal procedure of 5 day review time.
