In the above referenced letter you requested an extension of ninety days for your response to the findings contained in USNRC Inspection Report Numbers 70-687/89-80 and 50-54/89-80 due to the current and near-term workload related to the recent events at your facility.

Your complete response must be submitted to this office by April 23, 1990, which is ninety days from the date of our original letter which transmitted the Notice of Violation.

Your cooperation with us is appreciated.

Sincerely,
