|--|---------------|-------------------------|
| Pump station no. intake openings left side | 2 | |
| Pump station no. ERCW pumps left side | 4 | |
| Pump station no. RCW pumps left side | 4 | |
| Pump station no. screen wash pumps left side | 2 | |
| Pump station no. fire protection pumps left side | 2 | |
| | | |
| Pump station no. intake openings right side | 2 | |
| Pump station no. ERCW pumps right side | 4 | |
| Pump station no. RCW pumps right side | 3 | |
| Pump station no. screen wash pumps left side | 2 | |
| Pump station no. fire protection pumps left side | 2 | |
| | | |
| Width of each opening at traveling screen (concrete) | 5.17 | (ft) |
| Height of each opening (concrete) | 17.5 | (ft) |
| Gross area of each opening at traveling screen (concrete) | 90.4 | (ft²) |
| Width of traveling screen panel (approx) | 4 | (ft) |
| Height of traveling screen panels (approx) | 2 | (ft) |
| Width of panel circumferential supports (approx) | 2 | (in) |
| Percent of panel unobstructed by circumferential supports | 76% | |
| Screen openings | 3/8" x 3/8" | |
| Wire gage of screens | 14 | |
| Diameter of screen wire | 0.08 | (in) |
| Percent open area thru screens (http://www.millerwireworks.com/A-Wtable.html) | 67.9% | |
| Gross area of each opening at traveling screen (screen tray) | 70.0 | (ft²) |
| Net open area of each opening at traveling screen (approx) | 36.3 | (ft²) |
| Width of face of each trashrack (face of outer vertical bars) | 6.375 | (ft) |
| No. vertical bars each trashrack | 20 | |
| Width of each vertical trashrack bar | 0.5 | (in) |
| Total width of vertical bars each trashrack | 10 | (in) |
| Total net width of open area each trashrack | 5.54 | (ft) |
| Approx no. horizontal bars each trashrack | 8 | |
| Width of each horizontal trashrack bar | 0.5 | (in) |
| Total width of horizontal bars each trashrack | 4 | (in) |
| Total net height of open area each trashrack | 17.17 | (ft) |
| Percent open area thru each trashrack (approx) | 85% | |
| Gross area of each opening at face of trashrack | 111.56 | (ft²) |
| Net open area of each opening at trashrack (approx) | 95.13 | (ft²) |
