Mr. Gary Comfort
NMSS
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Comfort:

Attached is a copy of the letter you requested from Mr. William Ruzicka on April 25th.

As indicated in this letter, we will continue to keep the spent fuel and waste storage container underwater storage racks separated from each other until the criticality question is resolved.

Sincerely,

A handwritten signature in dark ink, appearing to read "R. A. Strack".

Robert A. Strack
Nuclear Project Engineer
