Dear Mr. Bellamy:

On April 7, 1989, Mr. W. Ruzicka and I contacted Mr. J. Roth of your division to request a six-week extension of the "45 days" we were given to respond to the "unresolved item" (70-687/89-01-05) in your February 27, 1989 letter.

Mr. Roth agreed to allow the six week extension, and we will provide the requested information on or before May 25, 1989.

Until this item is properly resolved, we will continue to keep the spent fuel storage racks segregated from the waste storage container storage racks.

Sincerely,

Robert A. Strack
Nuclear Projects Engineer
