Dear Mr. Somerville:

Subject: Transfer of License No. SNM-639 from Union Carbide Corporation
to Cintichem, Inc.

The staff has completed its evaluation of the December 28, 1984, request
for transfer of Special Nuclear Materials License No. SNM-639 from
from Union Carbide Corporation (UC) to Cintichem, Inc. (CI). This
amendment authorizes CI to acquire by transfer all right, title and
interest to all real and capital assets of the Sterling Forest
facility. CI will also obtain in the transfer all of the UC personnel
now operating the facility, and will maintain the existing management
structure for handling special nuclear material. Operation and safety
will be maintained in compliance with the Code of Federal Regulations,
Title 10, Chapter I.

In accordance with your request and the information provided in your
application, the Nuclear Regulatory Commission has issued License
Amendment No. 1 to Materials License No. SNM-639 changing the name of
the licensee from Union Carbide Corporation to Cintichem, Inc.

The license amendment and staff evaluation of the license transfer
are enclosed.

Sincerely,

Original signed by
Leland C. Rouse
