SUMMARY

Your response and complete renewal application NRC Form 313 dated January 18, 2010, and need additional information:

✓ 1. Please verify if you will be using the portable gauges at temporary job-sites. *Good!*

2. From your current license, you were authorized for Troxler 3400 series and 3450.

However, from your NRC Form 313, you only indicated Troxler Model 3440. Please clarify the portable gauge model number(s) you are requesting to be authorized. *Good.*

✓ 3. FYI...License Condition 11.B. (internal naming of RSO) will be removed in your renewed license. *Good.*

Please ensure that your response is dated, signed, and denotes the control number.

Mr. Thielmann's Response:

Mr. Thielmann indicated that portable gauges will be used at temporary job-sites. He also verified that only Troxler Model 3440 was to be authorized and that this was the only portable gauge that they possessed. He indicated that he will send the signed written response 01/22/2010. *Coke*

Why didn't RSO's 11/22/10 response never mind, response is probably close enough to confirm 3440 gauge is only one authorized --
