Subject: Site directions

Linda,

The Thursday, August 6th date at 9:30 a.m. will work fine for us.

The driving instructions from Rawlins to the Lost Creek site are below:

Mileage starts at junction of Hwy 287 and 287 Bypass, at north edge of Rawlins:

Travel 13.1 miles north on Hwy 287

Turn left (west) onto the Mineral X Rd. Although this road is paved it has some significant damage that can catch you by surprise so please drive slow.

Travel 25.0 miles on the Mineral X Rd.

Turn right (north) onto Sooner Road (gravel road)

Travel 5.7 miles on Sooner Road

Turn left (west) on an unmarked two track road that has a small culvert under the road

Travel 2.5 miles on the two-track road to reach the site trailers

The entire trip should take about 50 minutes. Make sure you have plenty of fuel and water since there is very little civilization once you leave Rawlins. The site has a microwave phone system with the number 307-324-4100.

Regards,
John Cash
