RE: Amendment of Radioactive Materials License No. 15-27070-01

Dear Sir/Madame:

Terracon hereby notifies the NRC that the Local Radiation Safety Officer in our St. Louis, MO office has been changed. The new Local Radiation Safety Officer with responsibility for day to day operations and regulatory compliance efforts in our St. Louis, MO office will be Mr. Tim Hohlt. Mr. Hohlt is our construction materials testing department manager and previously served for many years as Local RSO of our St. Louis, MO operations. He resumes those duties effective immediately. A copy of Mr. Hohlt's gauge operator training certificate is attached.

All other items and conditions will remain as written. With this we consider this amendment request complete. If you have any questions or require additional information, please contact me at your earliest opportunity.

Sincerely,

Terracon
