Mr. James E. Bohnsack, Chairman

8429 88th Street West
Taylor Ridge, IL 61284-9657

SUBJECT: GOVERNMENT TO GOVERNMENT MEETING

Dear Mr. Bohnsack:

As you know, the U.S. Nuclear Regulatory Commission (NRC) is responsible for licensing and regulation of the Quad Cities nuclear power plant located in Rock Island County, in Cordova, Illinois. My staff, which carries out the NRC's inspection and enforcement program at the Quad Cities plant, would like to meet with you at your office for a brief, informational meeting.

The goal of the meeting would be to explain the NRC's role and mission, answer any questions you may have, and to establish a point of contact in the event you have questions in the future. We would also like to introduce you to one of the NRC resident inspectors who lives in the community and works at the Quad Cities plant.

I plan to have one of our Regional Government Liaisons (Allan Barker and Harral Logaras) contact you soon to establish a meeting date and time. In the meantime, please contact Harral Logaras at 630-829-9659 (or via email at Harral.Logaras@nrc.gov) if you have any questions.

Sincerely,

/RA/
