SUMMARY

We have reviewed your letter dated January 19, 2010, requesting an amendment to your byproduct materials license. We find that we need additional information as follows:

Please resubmit your application for an amendment in its entirety, focusing on the responses and commitments in Appendix B in NUREG-1556, Vol. 4, dated October 1998.

Please note that certain sections of NUREG-1556, Vol.4, dated October 1998 have been modified since its last revision, as noted below:

- 1. We now require a total possession limit for each radionuclide requested, as well as providing the "per source" activity you need, which should match the Sealed Source and Device Registry certificate procured by the vendor.**
- 2. A written, signed and dated statement from your proposed RSO is needed that states they accept the RSO position and understands the duties and responsibilities associated with the position.**

We will be unable to continue processing your request until we receive this information.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice, " a copy of this letter will be available electronically in the NRC Public Document Room or from the Publicly Available Record (PARS) component of NRC's document system (ADAMS) accessible from the NRC Website at <http://www.nrc.gov/reading-rem/adams.html>.

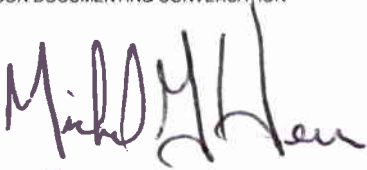

ACTION REQUIRED

Please submit the requested information within **7 calendar days (by February 16, 2010)** by referencing control number **318763** to facilitate proper handling

The license termination will be handled as separate request. For this future action, you will need to provide the following:

1. A completed and **signed** NRC form 314. (only one form is needed to document the termination of your license)
2. Last leak test results for all the gauges.
3. For those gauges being transferred to another licensee, you will need to provide the; model number of the gauges, date of the transfer, name of licensee receiving the gauges, and a copy of the recipient's NRC or Agreement State license.
4. For those gauges that you will be transferring back to the manufacture you will need to provide the following ; model number of the gauges, date of the transfer, the name of disposal vendor, and a copy of the recipient's NRC or Agreement State license

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT 630-829-9752 or (800) 522-3025, EXT. 9752.
