Dear Sir:

In accordance with your letter of June 24, 1976, which issued MPP 2 to our SNM-639 License, we request that we be granted a hearing concerning condition 6.2 of the license.

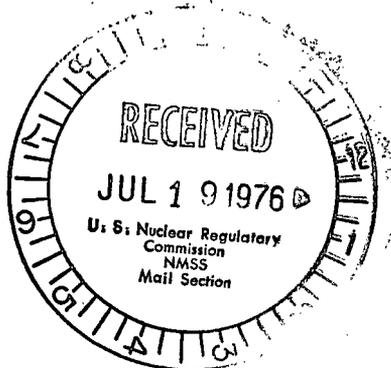

It was originally proposed that any MUF would be reported in coincidence with the physical inventory on a bimonthly schedule as specified in Section 70.51 of the regulations.

Thank you for your consideration.

Very truly yours,
