Attn: Mr. M. Smith

Dear Sir:

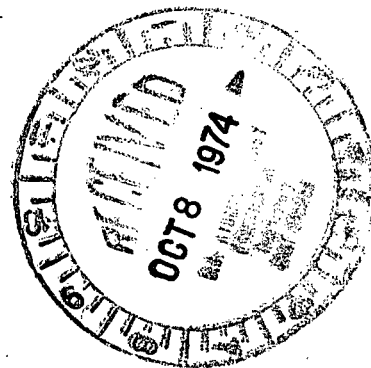

This will confirm our telephone conversation regarding the resubmission of our Fundamental Materials Control procedures for our Sterling Forest Laboratory under our License No. SNM-639.

The revised filing will be made in two parts. This will contain the data outlined in the AEC proposed guide for the preparation of "Fundamental Materials Controls and Nuclear Materials Safeguards Procedures" exclusive of sections C and F. These sections (Measurements and Statistical Controls and Inventory) respectively will be filed by 10/31/74.

Very truly yours,

James J. McGovern
Manager
Radiochemical Production
