The NRC will also be present, but that's not for public consumption.

Of course, refer any calls to me if necessary.

**Importance:** High

Just as an FYI -

I understand from Amy Aughtman (Southern Nuclear) that a press conference is planned today as part of an IBEW chapter meeting to announce the first DOE loan guarantee - for the Southern Nuclear/Vogtle plant. 10 am. President Obama is supposed to be present at this press conference.
