Subject: Draft Safety Culture Policy Statement: Request for Public Comments

The U.S. Nuclear Regulatory Commission (NRC) published a solicitation for public comment in the Federal Register on November 6, 2009 (74 FR 57525) concerning the subject draft Safety Culture Policy Statement.

Exelon Generation Company, LLC (EGC) participated in the public workshops facilitated by the NRC for the development of the policy statement, definition and traits and appreciates the opportunity to comment on the draft policy statement. Exelon fully supports the comments submitted on behalf of the nuclear industry by the Nuclear Energy Institute.

Exelon also supports the ongoing efforts by the NRC and the Institute on Nuclear Power Operations to develop a common language for safety culture as part of the safety culture policy development.
