Legal Issues Presented

Am hereby including further information about other groups of owners/caretakers who you/the NRC/Nuclear Regulatory Agency have failed to respect, and recognize the rights of. They are as follows:

Template Log-038

DS-03

(1) the occupants (hoaina) - in this case, the ancestral iwi remains "flags of occupancy, lands whose descendants exist or which the Konohiki (landlord) may reclaim.

(2) the Konohiki (landlord) - whose descendants/heirs succeed and who has the right to participate in lease land transactions, and who receives half the rent.

(3) the Government - which is the Kingdom of Hawaii and not the entity State of Hawaii which falls into the conspirators group documented in Public Law 103-150 signed by U.S. President William Clinton in 1993. Additionally, the entity State of Hawaii is not related to our families and are not living human beings.

Reference(s):

"The Act of Nov. 7, 1846, "on the subject of rights in land" (p. 70, lb.), defines the rights of the occupants, (hoaina,) of the landlord, (konohiki,) and of the Government, saying that "the Government shall also have the right to lease land at discretion, though not without the knowledge of the konohiki, and he shall receive half the rent;" also, "If the Government wish to have its portion of the uncultivated part of any ili or ahupuaa set off according to its rights," a prescribed course may be followed., etc.

Background of Lands, Private Properties Wrongfully Occupied by the Military - Makua, Pohakuloa, Schofield, etc.

Keohokalole (w) was the Konohiki of Makua; held for Kauikeouli/Kamehameha III.

Kauikeouli/Kamehameha III sealed the Crown Lands for his "heirs and successors" which was wrongfully interpreted as "the heirs are successors".

Kauikeouli/Kamehameha III's heirs included Kamehameha's, Kaumualii's, his uncle's, aunt's, stepmother's, and his hanai/adoptive children.

Land Owners

I also direct you to the documents which may be found at the Archives, Honolulu, Oahu, Hawaii; whereas, Kauikeouli/Kamehameha III did declare his cousins as part of his heirs through hanai/adoptive relationship and recorded in the Native Register/Testimoies at the Archives, Honolulu, Oahu, Hawaii.

His heirs and successors are the owners of the Crown Lands.

Additionally, our families are part of the Konohiki descendants/heirs for the area.

The Konohiki (landlords) supports the claims of the occupants or the ancestors who remain buried on the land and their descendants/heirs. The Konohiki (landlords) also retain the lands in the event the occupants descendants/heirs no longer exists.

The rights, privileges of Kamehameha III's hanai/adoptive children (Keoni Ana, Grace Kamaikui, James Young Kanehoa, Gina Lahilahi, Fanny Kekela, Hueue Davis,

Kale Davis, and Peke Davis remains and their konohiki rights, privileges continue on in their descendants.

I, Amelia Gora, Acting Liaison of Foreign Affairs descend from Kamehameha, John Young, Isaac Davis, Grace Kamaikui, and Peke Davis.

The Government - in this case the Kingdom of Hawaii Government remains under the claims of our neutral, non-violent, friendly nation which certainly is not the entity State of Hawaii which evolved from American conspirators collaborating with the U.S. government since the missionaries arrived in 1820.

An abundant amount of evidence supporting the crimes of a pirating nation usurping a neutral nation's head of state and assuming lands, resources, monies, gold bullions, gold coins, buildings, identities is partly covered under Public Law 103-150 signed by U.S. President William Clinton in 1993.

For the Record

Protective/Restraining Orders were e-mailed with information affecting our Hawaiian Nationals/ aboriginal Hawaiians/kanaka maoli, et. als. Part of that notice follows:

Greetings!

The beach/Waianae, et. als. people/houseless people are slated for removal by the Honolulu Police Department, Sheriffs Department on March 15, 2010, Friday, etc..

This is a reminder that most of them are covered by the "Addendum to support native tenants/kanaka maoli kelii maoli/Kamehameha's etals. descendants /Ruling Chiefs descendants/heirs on all islands in the Hawaiian archipelago/Oahu, Maui, Hawaii, Molokai, Kauai, Niihau, etc. under the Kingdom of Hawaii/Hawaiian Kingdom/He Mokupuni Pae Aina o Hawaii/Hawaiian islands/Hawaiian archipelago occupying our aina/lands inherited through Kamehameha, Kamehameha II -Liholiho, Kamehameha III - Kauikeaouli, Kamehameha IV - Alexander Liholiho, Lot Kamehameha/Kamehameha V, King William Lunailo, King David Kalakaua, Queen Liliuokalani, etals. thru Protective/Restraining Order, Kingdom of Hawaii Document 2008-0040 and 2009-0088" served to the STATE OF HAWAII ATTORNEY GENERAL 2009 Feb -4 PM 4:24 on 2009 FEB 4 PM 4:24 - hand delivered, and remains in effect.

The documents are attached, and the following shows posts out to many on the IOLANI - The Royal Hawk news on the web.

It is our intent to relocate our kanaka maoli/aboriginal Hawaiians/Hawaiian Nationals soon. Others without documents, without aboriginal Hawaiian blood who remain American citizens can be assisted by your people.

I also direct you to the documents attached whereas Kauikeouli/Kamehameha III did declare his cousins as part of his heirs through hanai/adoptive relationship and recorded in the Native Register/Testimoies at the Archives, Honolulu, Oahu, Hawaii.

His heirs and successors are the owners of the Crown Lands.

Additionally, our families are part of the Konohiki descendants, and heirs of the Konohiki for the area.

The rights, privileges of Kamehameha III's hanai/adoptive children (Keoni Ana, Grace Kamaikui, James Young Kanehoa, Gina Lahilahi, Fanny Kekela, Huel Davis, Kale Davis, and Peke Davis remains and their konohiki rights, privileges continue on in their descendants.

I, Amelia Gora, Acting Liaison of Foreign Affairs descend from Kamehameha, John Young, Isaac Davis, Grace Kamaikui, and Peke Davis.

I hereby restate that:

These assigned documents assigned/accorded to specific kanaka maoli/kelii maoli will be recorded and maintained as long as the occupiers, U.S., entity State of Hawaii subject to Piracies on the high seas/Piracies on the open seas charges, etc. relating/defined in the Law of Nations, U.S. Constitutions, Article 1, Section 8, clause 10 "to define and punish Piracies and Felonies committed on the high seas, and offences/offenses against the Law of Nations" etc. for the duration, occupation in our Hawaiian archipelago.

In addition, I hereby cite the following in regards to our Konohiki rights:

"The Act of Nov. 7, 1846, "on the subject of rights in land" (p. 70, lb.), defines the rights of the occupants, (hoaina,) of the landlord, (konohiki,) and of the Government, saying that "the Government shall also have the right to lease land at discretion, though not without the knowledge of the konohiki, and he shall receive half the rent;" also, "If the Government wish to have its portion of the uncultivated part of any ili or ahupuaa set off according to its rights," a prescribed course may be followed.

"Oct. 26, 1846, the Legislative Council approved a statement of "Principles adopted by the Board of Commissioners to quiet Land Titles, in their adjudication of claims presented to them." (p. 81, to 94, lb.) and formally enacted that, "all claims for landed property in this Kingdom" shall be tested by these principles and according to them be confirmed or rejected."....and so forth.

Comes now documented issues of duress, participating, conspiracies by a foreign government usurping a neutral, non-violent nation, whose laws do not apply to our Hawaiian nationals/kanaka maoli/aboriginal Hawaiians, whose treaties does not apply to our

families, issues remain which involves the fact that our Queen not recognizing the "Provisional government" as a government but a mere entity.

In essence, legally you are illegal, and remain an occupier, a hostile corporation entity showing aggression against neutral, non-violent subjects.

This message is also posted for many to see.

Please refrain from further abuses, includes bodily harm/removal of our subjects/Hawaiian Nationals and kindly let them be.

Your assistance in these matters will be greatly appreciated.

Sincerely,

Amelia Gora, a Royal person, Acting Liaison of Foreign Affairs

Greetings!

Our Crown Lands are at risk of being criminally assumed by Pirates in our Hawaiian archipelago/Hawaiian islands/Kingdom of Hawaii/Hawaiian Kingdom/He Mokupuni Pae Aina o Hawaii. Pirate Lingle head of her racketeers/pirateers/gang of thieves, scoundrels, criminal deviants are looking to feed off of our Royal families lands. The Crown Lands belongs to the Heirs and Successors of Kamehameha III - Kauikeaouli, a brother of our ancestors. He was also the

adoptive father/hanai father of our ancestors, descendants of Isaac Davis and John Young who also happen to be owners of Pearl Harbor, Oahu, Hawaii.

Rents and Leases are due/past due in the amount of \$500 Trillion dollars in gold coins per year retroactive to 1893. This is a friendly reminder.

The following information shows parts of the evidence of PIRACIES ON THE OPEN SEAS, or Piracies on the High Seas as noted during President Benjamin Harrison's administration at the time of the wrongful, criminal, premeditated dethronement of Queen Liliuokalani in 1893.

The following information speaks for itself. Also, www.theiolani.blogspot.com

shows served notices to Governor Lingle, etals, entity State of Hawaii Record No. 2008-0040 and 2009-0088, articles, evidence of Pirates on the open seas, PIRATES OF THE PACIFIC: Charles Reed Bishop and Friends, etc.

Acts of piracies, premeditation towards dethroning Hawaii's Queen shows that our kanaka maoli continue to live under stress, duress, usurpation, coercion due to the occupiers/entity State of Hawaii etals.

Extensive research by myself and others shows the criminal deviance, scoundrel activities, conspiracies, criminal malfeasance, terrorism, genocide, identity theft, 158 human rights violations, identity theft /historical identity theft perpetuated against a neutral, friendly nation regarded by the Law of Nations. Hawaii's Queen Liliuokalani had the support of 40,000 versus the Americans 3,000, most of whom were paid \$50-\$500 each to side with the Americans.

The President's Executive Orders for the period follows:

1893 - **BENJAMIN HARRISON**
XXIII President of the United States: 1889-1893
Special Message
January 31, 1893

To the Senate of the United States:

In compliance with a resolution of the Senate, the House of Representatives concurring, I return herewith the bill (S. 2625) entitled "An act to provide for the punishment of offenses on the high seas."

GROVER CLEVELAND
XXIV President of the United States: 1893-1897

Special Message
January 13, 1894

To the Congress:

I transmit herewith copies of all dispatches from our minister at Hawaii relating in any way to political affairs in that country, except such as have been heretofore laid before the Congress.

I also transmit a copy of the last instructions sent to our minister, dated January 12, 1894, being the only instructions to him not already sent to the Congress.

In transmitting certain correspondence with my message dated December 18, 1893, I withheld a dispatch from our present minister, numbered 3 and dated November 16, 1893, and also a dispatch from our former minister, numbered 70 and dated October 8, 1892. Inasmuch as the contents of the dispatch of November 16, 1893, are referred to in the dispatches of a more recent date, now sent to Congress, and inasmuch as there seems no longer to be sufficient reason for withholding said dispatch, a copy of the same is herewith submitted. The dispatch numbered 70 and dated October 8, 1892, above referred to, is still withheld for the reason that such a course still appears to be justifiable and proper.

GROVER CLEVELAND.

Therefore, by virtue of the power vested in me under the Constitution and by the Joint Resolution passed by Congress on April 6, 1917, declaring the existence of a state of war, it is ordered that all companies or other persons, owning, controlling or operating telegraph and telephone lines or submarine cables, are hereby prohibited from transmitting messages to points without the United States, and from delivering messages received from such points, except those permitted under rules and regulations to be established by the Secretary of War for telegraph and telephone lines, and by the Secretary of the Navy for submarine cables,

To these Departments, respectively, is delegated the duty of preparing and enforcing rules and regulations under this order to accomplish the purpose mentioned.

This order shall take effect from this date.

Notice to all:

All evidence gathered shows that the entity State of Hawaii is truly the criminal mecca of the United States aka's.

Everyone should be cautious in spending any money in Hawaii at this time until corrections are made. Example, President Obama utilizes his executive privileges to invalidate the Justices in Hawaii ability to adjudicate Crown Land, land matters affecting our kanaka maoli, our kelii maoli, etals., etc.

Maintaining our Royal families interests in our lands, including the Crown Lands, Government Lands, Alii Lands, etc.
