Team NJ,
Thank you for your participation in the meeting today.

I would like to determine your availability for a status update meeting on October 17 (a Wednesday). Please let me know times you are NOT available and I'll schedule accordingly.

The copies of the "scrubbed" version of the CD (no PII) have been distributed (Joan, if you need one let me know).

SA-700 and the associated handbook provide detail on the types of items we're looking for and expectations of the program. They can be found at <http://nrc-stp.ornl.gov/procedures.html>

Please let me know if you have any questions.

Kudos!
-Jenny
