Subject: Call with the NRC first week in Nov.

Dear Ms. Gardner,

I am pleased to report that the team's review of your package is progressing quite nicely. As discussed on the last phone call, we would like to discuss the comments in the completeness review with you during the first week of November. It would be most helpful if you could let me know when you (and your team) would be available for a call November 6-8.

Thank you, have a wonderful weekend.

-Jenny
