Pat,
I called and talked with Jenny this morning since you were in a meeting to let you guys know that I've accepted a new position at the NRC in the Office of International Programs effective February 4. Dennis Sollenberger will continue with your Agreement and will have a different partner in the near future (personnel TBD). It has been a wonderful experience getting to work with you as you begin the process and I look forward to hear about the achievement of your goal.

When I talked with Jenny this morning, she mentioned that your office hadn't received a copy of our comments on your draft. It finally got through the concurrence process and was sent out on Monday. I'm providing a copy (attached) so that you'll know what to expect. I apologize that transmission has taken quite a bit longer than anticipated, your patience is greatly appreciated.

Take care,
-Jenny
