Subject: NJ Agreement

Word from NJ - the Governor did sign the Agreement this afternoon, 9/23/09! I have a call in to Steve Baggett - SECY will release the SECY and SRM 5 days after the Governor's signing date. I will send up an item of interest and daily note. Until I hear from Steve, I don't know how much can be made public until SECY releases. I suspect we can but want to be sure.
