Hello,

I just wanted to let everyone know that we received the signed Agreements back from NJ. Everything is set to go for the 9/30/09 effective date.

There is no reason for you to keep your working notes any longer if you wish to recycle them.

The Agreement is posted the external FSME home page - <http://nrc-stp.ornl.gov/> if you wish to see it. The SECY will be available publically, hopefully tomorrow, SECY-09-0114, in case any one asks.

Thank you all for your hard work on this review. Since I got in on the process a little late, your thorough reviews sure made my job easier!

thanks again,
