Bruce:

I'll be here. Let's meet (with Torre also) and discuss your items. We may schedule a conference call later this week for the team to see if there is information in other sections that might answer any of the issues raised.

Thanks for your review.

Dennis

Hi Dennis, Sorry its taken so long to get back to you on this.

While I have a number of comments that I guess might be considered minor - although there are 3 or 4 that cause me more concern - I don't guess any of my comment raise to the level of "show stoppers." Noting that some of my previous minor comments did not appear to go forward, I thought we might get together sometime tomorrow and try to quickly go through them to see what you think before I spend much more time on this.

Let me know, Bruce
