

Chevron Environmental Management Company ("CEMC") and
____ ("Contractor"), stipulate and agree as follows:

Contractor, as a provider of services at the Washington, PA Remediation Project site, is required to comply with 10 C.F.R. 40.7, "Employee Protection," a copy of which is attached hereto.

Contractor represents that it has read 10 C.F.R. 40.7 in its entirety, and fully understands the rights and obligations imposed by 10 C.F.R. 40.7. It has been and remains a policy of the Washington, PA Remediation Project site that all service providers comply with the rights and obligations imposed by 10 C.F.R. 40.7.

Contractor further represents that it fully understands the penalties imposed by 10 C.F.R. 40.7 for violation of its provisions.

The requirements and representations herein shall also extend to Contractor's subcontractors.

Each party to this Agreement has caused it to be executed by a duly authorized person.
