further info:

If the FRN goes to ADM on Thursday, 5/21, it will be noticed on 5/28/09. each passing day shifts it a day. I've got ADM and OCA on notice - they're expecting it and folks are available so there shouldn't be any delays on that end.

Duncan - if folks ask at the CRCPD, I think you can safely say by the end of May, no later than June 1.
