Here is the 4th and final FRN. I learned from ADM yesterday, so far - we have 5 comments - OAS, Shieldalloy, Jim Lieberman, 1 "american citizen," and one from a person in Newfield, NJ. I don't have an electronic copy of the american citizen comment - doesn't support because of all the corruption in NJ is the basic summary. I haven't seen the one from the individual in Newfield, NJ yet. As soon as I have them, I'll pass them along.
