thanks Pat. I'm glad they are going to attend a session!

I spoke with Duncan about the addressess for the letter from you all affirming your understanding re: this interim period between the NARM waiver and the effective date of the Agreement - having the letter come in to Rob should be fine, with a cc to John Kinneman.

I'm still trying to get an answer re: your signature level - we all do believe that Paul is ok, but waiting on the final word from OGC. Our contact is in training today, so hopefully we'll hear back after she gets to the office.

I'll let you know as soon as I hear.
