Subject: FW: ODCM value from TMI

John and Ron,

Here is an email I got last night on the ODCM limit.

Dave

Subject: ODCM value from TMI

David,

The final percent of ODCM Quarterly Limit value calculated for the sample started at 1600 and stopped at 1700 is 0.3% particulate. I have the documentation for your review if you are at TMI this week or I can give copies to Ron Nimitz.
