Distribution License

Mr. Kirkwood,

As we discussed, attached are copies of the drawings showing the designs for our current Model CPD-7051 and new Model CPD-7054 ionization smoke detectors. I have indicated where the design for the new Model CPD-7054 smoke detector has changed as compared to our current Model CPD-7051.

I hope this answers your questions concerning this subject. If you have any additional ones, feel free to contact me.
