Thanks Scott, I'm working on the licensee concurrence now.

Scott/Chris,

Attached is the most recent revision of the TIM P/N. It has received concurrence from PAO and SLO.

To complete the PN, I need one additional piece of information: Please let me know the licensee POC and the time they were last updated so that I can fill in the last paragraph.

Once I complete that paragraph, I will finish the concurrences.

Please let me know if you have any questions.

Thanks,
Scott
