Wendi, just to follow-up, we did **not** make this report to the IAEA, because it was not significant enough to reach the required reporting level. Please send my thanks to the TMI staff for taking the time to review.

**Importance:** High

Peter,

Thank you for the opportunity to review the TMI High Activity ERF prior to INES submittal. In the attached document we have provided minor comments from the site.

Please let us know if you have any questions.

Thank you!
