Subject: Financial assurance

(NOTE: This will be used as the Documents Title in ADAMS)

I called for an update on the progress towards a financial assurance instrument. David Rhoe stated that he has been reminding Dr. Koldjez weekly that he needs to submit the documentation for this, but has not yet received anything from Dr. K. I asked if he knew of what the current status was (whether he had started looking for a financial assurance instrument, was in the process of establishing one etc) but he did not know. He said he would remind Dr. K again today.

Action Required: Call again in 1 week.
