Re: In the matter of South Carolina Electric & Gas Company and South Carolina Public Service Authority (Also Referred to as Santee Cooper) (Virgil C. Summer Nuclear Station Units 2 and 3) – Docket Nos. 52-027 and 52-028

Dear Ms. Vietti-Cook:

The attached Notice of Screening, filed in the referenced proceeding, was inadvertently filed before the Atomic Safety and Licensing Board. The Licensing Board's Memorandum and Order on Remand (Denying on Remand the Sierra Club and Friends of the Earth's Petition to Intervene), LBP-10-06, March 17, 2010, terminated the proceeding before the Board and therefore, the Notice should be served upon the Commission, as reflected in the attached documents. I regret any inconvenience this may have caused.

Respectfully submitted,

Signed (electronically) by Lawrence J. Chandler, Esq.

In light of Ms. Cyr's involvement in these matters, the Firm has taken the following actions:

1. Ms. Cyr has been and will be screened from all participation in the foregoing matters. The Firm's File Room personnel have been instructed not to grant Ms. Cyr access to the files relating to these matters, and the applicable files have been or will be labeled accordingly. She will not share in any fees attributable to these matters. Moreover, Ms. Cyr has not revealed any information regarding the noted matters that she obtained while General Counsel in the NRC's Office of the General Counsel to anyone in the Firm.
2. The Firm has represented the above-described clients in the noted matters before Ms. Cyr joined the firm, as the Firm had a pre-existing Nuclear Energy Practice prior to the arrival of Ms. Cyr.

I attest that all affiliated lawyers are aware of the requirement that Ms. Cyr be screened from participating in or discussing the above-noted matters and representation.

Copies of this Notice will be served on all of the participants in the above listed proceedings in which the Firm has entered an appearance.
