Subject: Application Information for Docket Number 40-9075 available in ADAMS

Dear Ms. Lorina,

Information regarding the application of Powertech's Dewey-Burdock project is now available in ADAMS on NRC's public website (<http://www.nrc.gov/reading-rm/adams/web-based.html>). You can obtain all available information by searching with the docket number by entering 04009075 in the "search" box.

Regards,

Ron
