OK, I just got the CD, even though it was received Friday AM. I would recommend that, in the future, for a CD, you leave out the Document Control Desk and send it directly to me. Anything that needs to go into ADAMS should arrive via Doc Control. I hope I am not giving contrary advice; I know I am correct on the CD. Thanks for sending it.

Behram, the PDF copy on CD of the ER responses was delivered (Fed Ex tracking # 797886099163) to Receptionist / Front Desk on 8/28/09 at 8:53 AM, signed for by E. Stington – one Fed Ex envelope. As stated before, the hard copy of the ER RAI responses was sent Fed Ex two-day (tracking # 796898579780). It was delivered on 8/31/09 at 8:43 AM, signed for by M. Castillo – one Fed Ex box. Any questions let me know.

Jon: It's not here yet; what is the tracking number? Doug Mandeville hasn't received the hard copy either.

Behram, I tried a number of times to email our ER RAI responses but the files would not go through. I have sent you a CD FedEx of the responses and the hard copy was sent FedEx as well. The CD should arrive tomorrow and the Hard copy (to Doug Mandeville) should show up on Monday.
