Attached please find the subject requests for additional information (RAI). A draft of the RAI was provided to you on August 6, 2009, and on August 18, 2009, you informed us that the RAI is clear to issue as final. As a result, no change is made to the draft RAI. The questions in this RAI are considered potential open items for Phases 2 and 3 reviews. As such, the schedule we have established for your application assumes technically correct and complete responses prior to the start of Phase 4 review. For any RAI that cannot be answered prior to the start of Phase 4 review, it is expected that a date for receipt of this information will be provided so that the staff can assess how this information will impact the published schedule.

Thanks,
