**Subject:** Verifying that amendment is only an administrative change  
(NOTE: This will be used as the Documents Title in ADAMS)

I contacted Dr. Orsini with regards to the amendment requesting to place the Suite number on mail correspondence. I contacted him because the suite number had not been mentioned in any previous requests and I wanted to verify that the location did not change within the building. I also asked Dr. Orsini, how he represented the company to ensure he was a management representative of the practice. He stated that he was the administrator of the practice.
