Behram,

I have received confirmation from Mike Karbs, Pat Moore and Tom Foertsch that they will be able to meet with you on January 13th at 1:00 PM in our office. I will be out of town, but I'm sure the group will take good care of you.

Thanks,

Joe

1/13 visit

Subject

Hi: Thank you very much for setting up a meeting with Tom Forsh and Mike Carbs for 1 PM or so on 1/13. I will have a consultant with me and we are interested in information to develop EAs for Moore Ranch and Nichols Ranch ISL projects in Campbell County (near the Johnson County line). I could also use information for Lost Creek ISL which is in Sweetwater County but I think that is under a different BLM office. Thanks
