MEMORANDUM TO: Edwin M. Hackett, Executive Director
Advisory Committee on Reactor Safeguards

FROM: David B. Matthews, Director **/RA Frank Akstulewicz for/**
Division of New Reactor Licensing
Office of New Reactors

SUBJECT: VOGTLE ELECTRIC GENERATING PLANT UNITS 3 AND 4 COMBINED LICENSE APPLICATION - ADVANCED SAFETY EVALUATION WITHOUT OPEN ITEMS FOR CHAPTER 8, "ELECTRIC POWER"

By letter dated March 28, 2008 (ML081050133), Southern Nuclear Operating Company (SNC) submitted an application to the U.S. Nuclear Regulatory Commission (NRC) for a combined license (COL) application for Vogtle Electric Generating Plant (VEGP), Units 3 and 4.

Based on our review of the application, the staff is providing the Advisory Committee on Reactor Safeguards (ACRS) its Advanced Safety Evaluation (ASE), without open items for Chapter 8, "Electric Power" (ML092870782). Unless otherwise stated in the ASE, the staff's review was based on Revision 2 of the application. The ASE is being provided to support a meeting of the subcommittee of the ACRS scheduled for December, 2010. The ACRS Full Committee meeting will be held after the subcommittee.

The staff has reviewed the ASE and found no topics that meet the categories of interest that ACRS members would like to review in detail.

CONTACT: Ravi Joshi, NRO/DNRL
301-415-6161

The staff concludes that the ASE does not contain any information exempt from public disclosure. However, the NRC will withhold the ASE from public disclosure for ten business days to allow SNC the opportunity to verify the staff's conclusion that the ASE contains no such exempt information. Therefore, the staff requests that the ACRS withhold the ASE from public disclosure until it has been released publicly in the Agencywide Documents Access and Management System (ADAMS).

The staff will inform the ACRS immediately if SNC requests that any of the information in the ASE be withheld from public disclosure.

Docket Nos. 52-025 and 52-026

The staff concludes that the ASE does not contain any information exempt from public disclosure.
