Subject: Mark Leyse petition (PRM- 50-93) - Nuclear Power Plant Safety

Dear NRC Commissioners,
I hear from a friend in town about this. I live in the same town within the evacuation zone, so please study and accept the Mark Leyse petition (PRM- 50-93). I have read the research he has cited and I feel strongly that it should considered carefully.
As I stated, I, too, live within the evacuation zone of Diablo Canyon Nuclear Power Plant on the Central Coast of California. Please act with caution in regard to protecting our families.
Betty Winholtz
