RE: MATERIALS LICENSE 06-30966-01

To Whom It May Concern:

Enclosed please find application to have Mark Rosenberg, MD assume the duties of Radiation Safety Office for our Materials License.

Sincerely yours,

Mart (loventegros

Mark Rosenberg, MD E-mail: Cell Phone:

This certificate verifies that on November 6, 2005

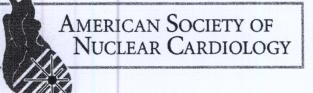

Dr. Mark Rosenberg

completed 100 hours of the Basic Radioisotope Handling Course, covering the topics of

Radiopharmacy, Radiation Biology, Physics and Instrumentation, Radiation Protection, and the Mathematics Associated with Radioactivity

and received a passing grade. This course is designed to qualify a physician for the Nuclear Cardiology Board Examination and to qualify a physician as an authorized user of radiopharmaceuticals, generators, and reagent kits and meets all requirements set forth by the US Nuclear Regulatory Commission and all Agreement States as outlined in the Code of Federal Regulations.

This Statement is for Enrollee's Records

Mark Rosenberg, MD

attended a continuing medical education program entitled

2008 Nuclear Cardiology Board Exam Preparation Course

from July 19-20, 2008 in Chicago

The American Society of Nuclear Cardiology is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The American Society of Nuclear Cardiology designates this educational activity for a maximum of 15.75 AMA PRA Category 1 Credit(s) тм. Physicians should only claim credit commensurate with the extent of their participation in the activity.

14.

James A. Arrighi, MD Chairman, ASNC Education Committee

Certification Board of Nuclear Cardiology

Certifies that

Mark S. Rosenberg, MD

HAVING MET THE REQUIREMENTS PRESCRIBED BY THIS BOARD FOR PHYSICIANS TRAINED IN THE UNITED STATES AND HAVING SATISFACTORILY PASSED THE REQUIRED EXAMINATION, IS HEREBY DESIGNATED A DIPLOMATE CERTIFIED IN THE SUBSPECIALTY OF

NUCLEAR CARDIOLOGY

President

FOR THE PERIOD 2008 - 2018
