Dear NRC:

This letter is to confirm that Lakeview Community Hospital (21-26716-01) has been acquired by Bronson Methodist Hospital (21-13125-01). Both parties agree to the transfer of ownership and control of the licensed materials. Supporting documentation from both parties are attached to this letter. There are no open inspections or enforcement items.

There are no changes in authorized users. The Radiation Safety Officer will change to the Bronson Methodist Hospital RSO with the transfer of the license.

There is no change in the location, facilities, equipment, or procedures. The surveillance program remains the same. All records are complete and up to date. It is requested that the license of the acquired location be terminated with this transfer.

If any questions or information is needed please feel free to contact me at department phone (269-341-6240) or fax (269-567-2697), e-mail: wattsm@bronsonhg.org.

Sincerely Yours,

Mark R. Watts, BS, CNMT, RSO

Amendment No. 08

14. Except as specifically provided otherwise in this license, the licensee shall conduct its program in accordance with the statements, representations, and procedures contained in the documents, including any enclosures, listed below. This license condition applies only to those procedures that are required to be submitted in accordance with the regulations. Additionally, this license condition does not limit the licensee's ability to make changes to the radiation protection program as provided for in 10 CFR 35.26. The Nuclear Regulatory Commission's regulations shall govern unless the statements, representations, and procedures in the licensee's application and correspondence are more restrictive than the regulations.
