7. *Abstract:* The NRC Form 136 is completed by NRC employees licensees and contractors that are leaving the NRC. The NRC Form 237 is completed by NRC contractors, subcontractors, licensee employees,

employees of other government agencies, and other individuals who are not NRC employees that require an NRC access authorization. The NRC Form 277 affects NRC contractor and licensees who have been granted an NRC access authorization and require verification of that access authorization and need-to-know in conjunction with a visit to NRC, other contractors/licensees or government agencies in which access to classified information will be involved or unescorted area access is desired.

Submit, by (insert date 60 days after publication in the Federal Register), comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?

2. Is the burden estimate accurate?

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?
