Mike: Thanks. Do you have an estimate of the width? I assume all of it is gravel?

Behram:

Our engineers have estimated the roads that currently exist within the license boundary at Moore Ranch. There are approximately 148,130 ft or 28 miles of roads including two tracks put in by Devon and the existing gravel roads.

The table that is in Ch 10 of the TR is also in the Intro to the ER, so that is taken care of.

Is the firm identified as Uranium One or uranium One Inc.?? Thanks
