Subject: Request for additional information to add Dr. Yang Cathy Cai as AMP

(NOTE: This will be used as the Documents Title in ADAMS)

I requested a copy of Dr. Cai's American Board of Radiology certificate. The licensee had submitted a letter from the ABR dated June 3, 2009 stating that she had passed examination and would be issued a Therapeutic Radiologic Physics certificate designating she was AMP eligible. This certificate would be received in 3 months. However, since the letter was almost 10 months old, Dr. Cai should have her certificate by now. Ms. Moore said she would locate a copy and email it to me in a PDF file.
